

Spring Registration Begins Monday, March 14 for Classes March 28 - June 5

Welcome to the Spring 2016 Issue of Good Times!

Can words describe the fragrance of the very breath of spring?

In this issue you will find more than 250 spring and summer activities for all ages that help stimulate, educate, and refresh you!

Learn more about the County's history with Legends by Lantern Light, Open House at #18 Schoolhouse and Daily Life in the 19th Century living history events. Sailing lessons at Crockett are back, where there are also astronomy viewings and early morning/late evening fishing dates. And explore your creative side with photography, pottery, guitar, racquetball, and jewelry making classes.

And be sure to start making your summer plans with the wide selection of swimming lessons, mini-camps, and a full day camp at Marshall Community Center.

Please remember that the Department wants to be sure that every child that wishes to participate in recreational programs can do so. To that end the Department has a variety of means to help offset fees and has established a scholarship fund to allow participation in many other community recreation programs. Please contact any of the regional offices for more information. And a special thanks to USA Swimming for its contribution to help keep swimming scholarships viable for another year!

For more details about all of these Fauquier County Parks and Recreation activities and great ways to improve your new year, visit the Parks and Recreation department at fauquiercounty.

As always if you have any needs that are not being met, special comments, or if there is anything we can ever do better please feel free to call me or attend our monthly Board meeting, usually the first Wednesday of each month.

Spring, a time for re-creation. We hope you grow this spring and help those around you to grow as well and don't forget to take advantage of all the opportunities awaiting you right here at the Fauquier County Parks and Recreation Department!

Donald Paul Johnson J

Fauquier County Parks & Recreation Board By Magisterial District

Volunteers

Volunteers are an appreciated and valuable part of the Parks and Recreation team! On December 1, 2014, Fauguier County Parks and Recreation implemented a Volunteer Background Check Program designed with measures to protect children, safeguard county resources, and help ensure the overall safety of county citizens. Volunteer positions will require a background check prior to the start of any volunteer duties. If you would like to be a new volunteer or continue your involvement as an FCPR volunteer, please complete the required paperwork and consent form. For more information. call (540) 422-8550 or visit our website at recreation. fauquiercounty.gov.

The Fauquier County Parks and Recreation Board is dedicated to the enhancement of the quality of life for all people in Fauguier County. Working in partnership with the people, the Fauguier County Parks & Recreation Department shall provide the leadership to assure that citizens receive highquality recreational facilities and services and to assure the preservation of local history.

ADA Accessibility

Fauquier County Parks & Recreation Department is committed to giving all citizens equal access to recreation and leisure opportunities. In keeping with

that commitment and the Americans with Disabilities Act, it is the Department's intent to provide reasonable accommodations to individuals with disabilities in all Department programs, services, and facilities. Individuals with disabilities can contact the Department prior to an event or the start of a program to request disabilityrelated accommodations. Adaptive aids and resources are available to assist qualified individuals. Requests for accommodations require a 72-hour notice.

Table of Contents

Refund Policies:

Satisfaction is guaranteed. If any participant is dissatisfied with any program or class, they will receive a refund as follows:

- 100% refund (through the first class) with a prorated refund the second class and beyond.
- Access plans and Pass Plans no refunds will be

Please note: Refunds are determined from the date and time of request.

Credit Card Policy:

Due to the increased cost of transaction fees, a \$5 minimum is required for all credit card purchases. Debit cards are not accepted.

The Department apologizes for any inconvenience and appreciates your understanding.

Pass Plan Policies:

- Pass plans of one month or more are available to residents only.
- Passes may only be used at the designated facility.
- Passes are non-transferable.
- Pass Extensions: Requests for extensions must be made prior to absence for absences of 4 weeks or greater only. One extension per year shall be granted to a pass holder. Pass extensions will only be permitted if the pass holder becomes physically ill, with a doctor's certification, or military status is modified to active.

Donors & Volunteers Recognized

On January 6, the Parks and Recreation Board acknowledged individuals, organizations and businesses who made significant contributions during the second quarter of fiscal year 2016. Three organizations reached significant thresholds totaling 400 hours of volunteer time. Eighteen organizations made contributions totaling \$3,735 in monetary donations. The Board also gave special recognition to the Northern Virginia Senior Olympics Committee for planning and implementing the 2015 NVSO cycling events held in Fauguier County.

National Volunteer Week April 10-16, 2016

National Volunteer Week, a program established by Points of Light in 1974, is about inspiring, recognizing and encouraging people to seek out imaginative ways to engage in their communities. It's about being at the center of social change and discovering the collective power to make a difference. The Department honors those organizations and individuals who give of their time and talent to help provide many of the programs and services offered through the Department.

The Fauquier County Parks and Recreation Department extends a very warm thank you to those who have so generously provided support, dedication, and service in 2015 to the Department and to the community. It is because of special people like you that the Department was able to provide programs and services to Fauquier County citizens such as Children's Festival, Goldvein Jubilee, Turkey Trot 5k, Lucky Shamrock, Northern Virginia Senior Olympics, Family Earth Day Festival, Summer Sizzler Summer Concert, and Fiesta Fauguier to name a few events.

A plaque will be placed on the Volunteer Garden Path in front of the Warrenton Community Center in recognition of 2015 volunteers. Please plan a trip to the Garden and see this plaque that honors your contribution.

THEATER REDEDICATION

On December 4, 2015 a crowd of theater enthusiasts, patrons, county and town officials gathered for a ribbon cutting ceremony and the unveiling of a fresh new look inside the Theater on the Green at Vint Hill.

Seat cushions, covers, and arms have been replaced, the inside of the building has been painted and new flooring and carpeting have been installed. The interior was intentionally renovated to maintain the theater's 1950's retro color, material, fabrics and design themes.

Renovations were the result of a unique public private partnership between Fauquier County Department of Parks and Recreation and the Fauquier Community Theatre. Renovations were funded through the county, and funds

obtained through generous donations from Fauquier Community Theatre patrons and various fundraisers.

(left to right): Mike Markley, (FCT Board Chairman), Jonathan Caron, (Jonathan Caron Construction, Inc.), Cathy Silvers (event emcee and star from 'Happy Days'), Miles Friedman (Fauquier County Economic Development Director), Stephen Heyda (Fauquier Community Theater Board of Directors), & Larry Miller (Director, Fauquier County Department of Parks and Recreation) rededicate the newly renovated Theater on the Green.

COUNTYWEBSITE REDESIGN

Fauquier County Government, including Parks and Recreation, has been working on updating all departmental websites. The website redesigns should be completed in early spring including a new park finder application that will allow users to find county parks, facilities and greenways by location, name, and activities.

6 • GOOD TIMES SPRING 2016 • recreation.fauquiercounty.gov • GOOD TIMES SPRING 2016 • 7

Greenways in Fauguier County

What is a Greenway? a strip of undeveloped land near an urban area, set aside for environmental protection that may also be used for recreational purposes.

Please enjoy our greenways and enhance the user experience by using common sense and common courtesy. General Rules of the Path:

- Be Courteous to All Users
- Don't Block the Path
- Be Predictable
- Always Use Safe Speeds
- Slower Traffic has the Right-of-Way

Control Your Pet

- Keep Right Except to Pass
- · Use Voice, Bell or Whistle When Passing
- Yield When Entering or Crossing Paths and Roads
- Keep the Pathway Clean
- · Wear a Helmet

Trail/Road Intersections:

Trail and Road Intersection safety has been an ongoing challenge for municipalities across the country. The Department is studying the issue and revising standards for our greenways and trails. Automobiles and trail users should use caution when approaching all intersections and obey posted signage.

Sharrows

Fauquier County Parks and Recreation and the Town of Warrenton now have sharrows installed on Aiken Drive and Walker Drive. Sharrows are bicycle symbols carefully placed to guide bicyclists to the best place to ride on the road. They also serve as a reminder to drivers to share the road with cyclists.

Motorists should:

- · Expect to see bicyclists on the street
- · Remember to give bicyclists three feet of space when passing
- · Follow the rules of the road

Bicyclists should:

- Use the sharrow to guide where you ride within
- Remember not to ride too close to parked cars
- · Follow the rules of the road

SafeRoutes to School

Fauquier County was awarded its 1st Safe Routes to School (SRTS) Infrastructure Grant for improvements around Cedar Lee Middle School. SRTS, a program through VDOT, assists localities in developing plans, activities, and infrastructure improvements to make bicycling and walking to school a safe and appealing transportation option for students.

Construction will include:

- Sidewalk improvements
- Traffic calming measures
- Bicycle racks
- Shared- use path constructed along Schoolhouse Road
- Shared-use path constructed under Route 17 connecting to neighborhoods on north side of bridge (includes fencing along railroad tracks)
- Street crossing improvements
- ADA accessible
- Connecting school, neighborhoods, businesses, and library by walking/biking routes

The Parks and Recreation Board, with the support of the Board of Supervisors, has been making a concerted effort to improve recreational facilities in Fauquier County. Some of those that were recently completed or will be completed in the near future include:

- **Woods at Warrenton** unfortunately bids were significantly higher than the estimate so the plans are being revised to try to reduce the costs before rebidding.
- Guard rails replacement of guard rails at parking lots at Cedar Lee and Vint Hill Farms Park have been bid and hopefully will be completed by spring.
- Warrenton Community Center the first phase of playground replacement is now complete and the first County playground with poured-in place surfacing. The Department is very interested in your opinion!
 - Department conducting study of ballfield lighting, which needs significant repairs on all fields, to determine if repairs are justifiable.
- Monroe accessible routes Phase I includes paving repairs and installation of additional boardwalk, work is underway.
- Warrenton Branch Greenway land negotiations nearing completion, interviews to select design firm underway.
- Safe Routes to School approval from VDOT received with anticipation of bidding in early February.

- Monroe playground enhancements for improved accessibility - slated for initiation in the spring.
- New fencing at Marshall Middle School ballfield and outfield fencing at Auburn ballfield - project has been bid with anticipation of completion prior to spring season.
- Safety netting between ballfields at Pearson and Miller Elementary Schools - project has been bid with anticipation of completion prior to spring season.
- **Central Fauquier Sports Complex** project delayed until agency reviews completed
- Construction of additional portable toilet/ storage structures for ballfields at PB Smith, **Auburn Middle, and Cedar Lee Middle** – plans revised during the winter and construction expected to be completed in spring.
- Pierce connection trail wetland permitting in progress
- Improved accessibility projects service counter and reworking of auditorium steps at Marshall Community Center, reworking of ramps at Monroe Park, installation of tactile warning strips on steps and reworking door to racquetball courts at Vint Hill Village Green Community Center,

Living History - Daily Lives in the 19th Century

Saturday, May 21 12p-4p Monroe Park

Dtep back to the days at the turn of the 20th Century when many daily tasks were still performed by hand. Watch demonstrations and then you too can join in the fun of washing clothes in a tub, decorating cloth with embroidery, spinning yarn, pie making and more. Also see some machinery used in that time period.

Ages 12 and under must have adult chaperone.

No registration required.

Private lessons can be booked any day from 9a-11a and

Scholarship Program

The Fauquier Parks and Recreation Board is pleased to announce the

SWIM FOR LIFE SCHOLARSHIP PROGRAM

The Swim for Life Scholarship Program is committed to teaching the youth of Fauquier County water safety and basic swimming skills. A special trust fund has been established to help fund this effort, the proceeds of which will be available to a limited number youth in-need, for the 2016 swimming season. If you know of a child under age 10 who does not know how to swim, please make their parents aware this program.

Eligibility: Any Fauquier County youth resident under 10 years of age who is unable to afford, based on the honor system, swimming lessons. Only one course per person per calendar year is permitted. This fund is only applicable to Pre-school I, Pre-school II and Level 1 courses. Funding through this fund may not be used in conjunction with any other trust fund account. Applications for scholarships available at any region office.

Swimming Lesson Guidelines

- Students must be able to follow and accept directions and be able to take turns to participate in group lessons.
- Ages and skills provided in the Swim Skills Progression Chart are guidelines set forth by the American Red Cross Learn-to-Swim program. In addition to swimming skills, each level will cover basic water safety.
- Children not toilet-trained must wear swim diapers. (Diaper machine located near lifeguard station for your convenience.)
- Students may need to attend several sessions before progressing to the next level.

- Please be aware that some of our classes are offered as combination classes. The instructor will evaluate the participants and divide accordingly.
- If a student enrolls in a lesson that is too advanced for his/her skills, FCPRD staff will make every effort to accommodate the student by placing him/her in the appropriate level. However, if the appropriate level is not available during the same dates, the registration fee will be refunded or the student may register for the appropriate level offered during a later session. The student will not be allowed to participate in a level that is too advanced for his/her skills.
- The pool is not available for public swim during swim lessons.

Swim Lesson Course Descriptions

Level\Requirements 6-36 Months\30 min Classes	Skills Taught
6–18 months Infant\Toddler I Parents must get in water	Parents are taught to safely work with their child in the water, including how to support and hold their child, to prepare and encourage full participation and try new skills. Water safety topics are introduced and directed to parents. Goals consist of basic skills to help lay the foundation for learning to swim.
18–36 months Infant\Toddler II Parents must get in water	Level 2 builds on the skills introduced in level 1. Participants improve on these skills and learn more advanced skills in level 2. Water safety topics are introduced and directed to parents.

Level \ Requirements Ages 3-5 \ 30 Min Classes	Skills Taught			
Preschool I Can leave parents willingly. Follow direction in group setting	Water adjustment, safety, entry, floating and breathing introduced.			
Preschool II Preschool I certificate or be able to submerge face, blow bubbles, front glide and float on front & back.	Goal is to build on Level I skills and enjoy success with fundamental skills. Learn to float on back unsupported, recover to a vertical position, explore simultaneous and alternating arm and leg actions on front and back, build foundation for future strokes. Self-help and basic rescue skills.			
Preschool III Preschool II certificate or be able to swim 3 body lengths with arm & leg action, float on front & back 5 seconds with recovery.	Goal is to build on Level II skills by providing additional guided practice. Learn to effectively coordinate combined simultaneous arm and leg actions, alternating arm and leg actions and safety skills.			

Level \ Requirements Ages 6-17 \ 45 Minute Classes	Skills Taught
Level I - Intro to Water Skills Must be able to participate in a group and follow directions	Learn basic personal water safety information and skills, help participants feel comfortable in the water. Learn elementary aquatic skills and develop good attitudes about swimming, good swimming habits and safe water practices.
Level II - Fundamental Water Skills Level I certificate or be able to travel 5 yards, submerge face 3 times, front glide, roll to back and float 3 sec.	Goal is to give participants success with fundamental skills. Learn to float without support & recover to vertical position, beginning of locomotion skills. Develop simultaneous and alternating arm & leg action on front & back. Safety skills.
Level III - Stroke Development Level II Certificate or be able to swim 5 body lengths using combined arms & legs, front and back float 15 sec.	Build on learned skills by providing guided practice. Learn survival float, swim front crawl & elementary backstroke. Introduce scissors kick, dolphin kick, and fundamentals of treading water. Review rules for headfirst entry and begin to learn headfirst entry from side of pool.
Level IV - Stroke Improvement Level III Certificate or be able to swim 15 yds. front crawl with rotary breathing, tread water and swim elementary backstroke 15 yards.	Develop confidence in the strokes and improve other aquatic skills. Increase endurance & distances by swimming familiar strokes. Add arm action to the scissor kick for sidestroke. Learn the back crawl, breaststroke, & butterfly; basics for turns at the wall. Safety skills.
Level V - Stroke Refinement Level IV Certificate or be able to swim 25 yds. front crawl, change direction and swim elem. backstroke 25 yds. Swim breaststroke and back crawl 15 yds.	Coordinate and refine strokes. Refine performance of all strokes – front & back crawl, butterfly, breaststroke, elementary backstroke & sidestroke and increase distances. Flip turns on front & back introduced. Safety skills.
Level VI - Fitness Swimmer Level V certificate preferred.	Demonstrate effectiveness and efficiency in all strokes. Able to swim continuously while using the appropriate turns for the stroke. Solid understanding about how to be safe in, on & around the water.

All Aboard! Grand Central

Region Grand Central News

What's New at the WCC?

The playground behind the Warrenton Community Center is in the very beginning stages of a facelift that started with the removal of the geo-dome jungle gym and the installment of a new play structure. The playground surface is a first for Fauquier County Parks & Rec, called Pour-In-Place, and is made up of a surface layer of bonded rubber pellets and a sub-layer of bonded, shredded rubber that makes a safe, spongy surface to land on.

A master plan is currently being worked on that will help include the recreational needs of the community, Head Start, Senior Center, individuals attending training at the Central Complex, and visitors at the Community Center. The plan will also include a connecting trail to the Warrenton Branch Greenway and to Brumfield Elementary School, along with any future development behind Home Depot.

Let's Go Back In Time!

Step back in time and discover what life on the railroad was all about! The Warrenton Branch Greenway Caboose will be open for tours, every Saturday from 9a-11a, from April to October pending weather conditions.

Future volunteers or anyone interested in supporting the Warrenton Caboose Project should contact Ron Scullin at 540-349-1637 or ronscullin@msn.com. www.warrentoncaboose.org

Basic Motor Skills Camp YS

Action packed week of learning the basic skills of various sports and games! Developing motor skills, basic drills, and fundamentals are the keys to this camp. Teamwork and good sportsmanship are also stressed. Specific drills and activities will vary based on camper's skill level and interest. Participants should bring (plastic only please) bottles of water and snacks.

Age: 3 - 5 yrs Location: W. C. Taylor Middle School

Day Dates Reg. by Fee 9424 Mon-Fri 7/11-7/15 9a-10:30a 7/6 \$68/\$102

Snips 'n' Snails Nature Mini-Camp YS

Discover the unique art of nature at this camp for youngsters. Little ones will learn to appreciate art by exploring the wonders of nature. Focusing on a different nature theme each day, campers will make nature craft creations to take home. This camp is designed for children who have not yet entered kindergarten. Campers should bring a snack and drink each day. No glass containers.

Age: 3 - 5 yrs

Location: Warrenton Community Center

Dates Reg. by 9426 Mon-Fri 7/25-7/29 7/20 \$103/\$155 9a-12p

Experiments in Theatre YS

Students will embark on a creative, imaginative, and experimental theatrical journey. It does not matter what your experience level is this week will provide new skills and reinforcement of previously learned skills for beginner and advanced students. Bring a drink and lunch. No glass bottles please.

Age: 12 - 17 yrs

Location: W. C. Taylor Middle School

Theatre 101 Camp YS

Over the course of a week students will embark on a creative, imaginative, and experimental theatrical journey. It does not matter what your experience level is- this week will provide new skills and reinforcement of previously learned skills for beginner and advanced students. Students will participate in an ensemble Camp in which they will learn the fundamentals of Theatre: basic acting techniques, script writing, improvisation, character development, narrative, interactions/reactions, stage directions, production technique, movement, and experimental work; all of which will lead to students create a small-scale devised theatre piece at the end of the week. Bring a drink and snack.

Eastern Grapevine

Region Grapevine News

How Can We Serve You?

The Department relies on trends, input from county residents. and an educated opinion that a program might be a good match for the community. However, we often lack sufficient input to ensure the success of any given program.

Parks & Recreation is responsible for providing workshops, classes, activities, clinics, programs, special events, group and private lessons. Each region has a programmer that is responsible for planning, scheduling, and implementing programs in their respective region. However, all four programmers collaborate on county-wide, special events and programs such as summer camps.

We need your help to ensure we are serving you and your family. Please take a moment to contact Eastern Region Aquatics Manager and Programmer, Melissa Nester, at 540-428-3768 or Melissa.Nester@fauquiercounty.gov to share with her your suggestions on previous, current or future programs. You can also contact the other programmers to share with them your thoughts on programs in the other regions.

Don't Sweat It!

The Vint Hill Village Green Community Center is ready to keep you cool this spring and summer with its new air conditioning system. The Center offers a diverse selection of physical activities along with classes and camps.

FUN FACTS!

DID YOU KNOW?...Not many people know that you can use the racquet ball court to play Wallyball or that we host Unicycle classes. Call or stop by for more information!

Get Fit this Spring with Swing and Retro Big Band Music

The swing dance style evolved alongside jazz music in the 1920s. Swing dancing provides an effective aerobic workout that raises the heart rate and burns calories. It also strengthens bones and builds muscles. Swing dancing is a vigorous aerobic workout that raises vour heart rate

and can leave you breathless. The average person burns nearly 300 calories per hour swing dancing. Like many other styles of dance, swing dancing is a weight-bearing exercise, which strengthens your bones. Dipping and twirling also help to build muscle density and upper-body strength.

In February 2012, Marshall Community Center held its first Swing Dance and now holds dances all year long. Please see page 12 for more information on Spring Dance which will feature a Swing Dance Contest. The music is performed by The Silvertones Swing Band and there is a complimentary lesson at the beginning of every dance.

Featured Facility - Schoolhouse #18

Looking for historical stroll, add Schoolhouse #18 to your walking route at Northern Fauguier Community Park and bring history to your fitness routine. Public School Number 18 stands as sentinel to schooling as it used to be. Immediately following the American Civil War, the Commonwealth of Virginia dedicated itself to the concept of free public education. Small community schools, such as Number 18, dotted the countryside. Visit the old school and step back in history and enjoy a guided tour of education the way it once was decades ago. See page 37 for tour information also for more information check-out the Fauguier County Parks and Recreation, Northern region website or call the Northern Region Community Park at (540) 422-8570 for more information.

Northern Region

Spring Birthday Parties in the Northern Region

Looking for an indoor venue for early Spring birthdays? Treat birthday guests to a colorful and fun party at the Marshall Community Center Pottery Studio. Each person will paint their own special pottery piece, which will be ready one week later. Feel free to bring in cake or snacks to add flavor to your party. For those looking for a more active party, the gymnasium is the perfect place for basketball, volleyball or indoor soccer. If you are looking for an outdoor birthday party, consider Northern Fauquier Community Park. The park offers picnic shelters, grills, playgrounds, and an indoor meeting room. Please call (540) 422-8580 for more information.

- \$15 Special Event Permit needed for events over 75 people (20 days in advance of rental)
- \$20 Vendor Permit needed for paid vendors, caterers, moonbounce, etc.

Southern Scene

Featured Facility

C. M. Crockett Park

Welcome to Spring! With beautiful weather there is no better time to have a picnic or hike the trails. To get Spring started right, the park's nature trail is nearly 1-mile long through the woods. The park's cross-country trail traverses 1.5 miles in mostly open terrain. The fish in Germantown Lake are hungry, growing bigger, and just can't wait to take your hook. Enjoy some leisurely boating, have a get-together in one of the shelters, play volleyball or horseshoes, do some wildlife or bird-watching, or just sit under a tree and read a book. The concession stand is now open Saturday & Sunday and then daily beginning Memorial Day weekend. The concession stand sells live bait, fish license, tackle, snacks, pizza, ice cream, healthy-option snacks and cold drinks. You can rent a boat there as well! Crockett Park is open 365 days a year!

Region News

Friends of Monroe Park

Since the establishment of Monroe Park, home of the Gold Mining Camp Museum, the only gold mining museum in Virginia, one of the primary reasons for the park's success has been the community support group The Friends of Monroe Park. Members of FOMP initially raised \$10,000 for the construction of the park and they continue to be active in fundraising, lending a hand with the park and community activities, and supporting the long range goals for the continuing development of the facility. FOMP's two main activities are the Spring Egg Hunt, a free event for the children of the community, and the Goldvein Jubilee, their signature fundraising event for the park in September. These events require lots of planning and event volunteers so FOMP is always on the lookout for people who want to get give their time and talents to benefit the park. Call the Monroe Park office should you wish additional information about how to become a member of the Friends of Monroe Park and help out at these amazing events.

Environmental, **Historical & Nature**

Environmental Education & Historical Interpretation Field Trips

Wow! In the past year, over 2,000 children participated in one of the many historical or environmental programs offered through Parks and Recreation. In the Southern Region, these programs are offered at Monroe Park in Goldvein (historical) and C. M. Crockett Park in Midland (environmental). Many of the programs are designed to meet the Virginia Standards of Learning. The cost is reasonable at only \$3 per student per activity. Call one of the parks for more detailed information.

Astronomy Viewing Sessions

Get a great view of the constellations, planets, and stars at viewing sessions with the Northern Virginia Astronomy Club. No formal program will be presented, however members of the club will be happy to answer your questions about astronomy. Bring your own telescope or observe through one provided. Registration not required. All ages welcome! Ages 17 and under must be accompanied by an adult. Free for county vehicles. Non county vehicles pay the \$7 non county entrance fee.

Batty-Bat-House Building YS

Did you know a single brown bat can eat up to 1,000 mosquitoes in a night? Why do bats sleep upside down? Do they really have sonar? Are they cold-blooded, or mammals? Learn all about these unique and beneficial creatures. Construct a bat house to take home. Registrants may purchase additional kits for \$6.00. Age 12 and under must have adult chaperone. Chaperones must also register if building a separate bat house.

Age: 6y and up

Location: C.M. Crockett Park

Instructor: Johnson

Crockett Challenge

Crockett Park's version of Survivor! Learn camping skills to make your stay comfortable regardless of the weather. You won't be 'voted off the island' or have your 'torch extinguished'. Compass navigation, shelter building, scavenger hunt, fire-starting, cooking with wood, and camping included. Participants must bring their own sleeping bag, weather-appropriate clothing, boots, and toiletries. Ages 17 and under must have an adult chaperone who must also register. This is a two day event from 10am Saturday until Noon Sunday.

Age: 8v and up

Location: C.M. Crockett Park

Code Day Dates Sat-Sun 5/21-5/22 10a-11:59p 5/14

Daily Gold Panning Demonstrations at Monroe Park

During a 15 minute demonstration Wednesday through Sunday at 2 pm, participants will learn how to separate gold from sand, rocks, and dirt using the traditional gold prospector's technique of panning. An additional demonstration is held at 10:00 am on Saturday morning. If you catch gold fever, the museum has bags of sand/gold concentrate and other basic gold panning equipment for sale. Demonstrations will be held when weather conditions are appropriate. Note: pre-registration is not required.

All Ages

Location: Monroe Park

Day Dates Fee Code Reg. by Time \$0/\$0 Wed-Sun 3/30-6/5 2p-2:15p

Gold Prospecting Workshop

For almost 200 years gold prospectors have searched the area's streams for gold. Local prospecting experts will show you the how's and why's of gold prospecting and what equipment is needed to find gold in southern Fauquier streams. Then you can practice these techniques with your own bag of sand concentrate (with real gold flakes!) at the museum's panning demonstration area. Ages 14 and under must have an adult chaperone. Registration fees apply to chaperones if also getting a bag of sand/gold flakes.

Health/Fitness

Basic Water Rescue YS

Learn the information and skills necessary to prevent, recognize and respond to aquatic emergencies. Learn how to protect yourself while assisting others. This is not a lifesaving course. It is about water safety and how to respond to aquatic emergencies. Bring a long-sleeved, button-up shirt and a pair of long pants that can get wet. Part of the class takes place in the water.

Age: 16y and up

Location: C.M. Crockett Park

Instructor: Johnson
